We are collecting GENTLY USED shoes.

**Sizes: baby shoes - adult shoes and boots**

***This is a Win...Win...Win fundraiser for everyone!***

1. You can clean out your closets and place your gently used shoes into this box. (No holes or scuff marks, PLEASE.)
2. **Five Little Stones** earns 40 cents per pound of shoes.
3. The shoes are sent to families in developing countries to *"create a path out of poverty by selling the collected shoes in their communities."*
